

### **Events**

We have had a great start to the season with the open day at Forfar Loch. Thanks to all that attended. Let's hope we can get the same weather for the rest of the year!

It is hoped we can soon start evening trips so keep an eye on the e-mails.

### **EGM**

The EGM went ahead as planned at Forfar. Not many club members could attend but I had proxy votes for those that wanted to have an opinion. As a result, the motion to affiliate with Forfar was carried unanimously.

The initial agreement will be for one year only and will be reviewed next year. The committee are aware that the priority is to work on getting a boat storage facility and will work to progress this.

There is a joint Open Day for the public planned at Forfar Sailing Club on Sat. 28<sup>th</sup> April. This would be a great chance for anyone in the club to try out sailing! Let me know if you want to come along. The sailing club normally expect about 50 or 60 people down which can lead to more members. Can we also provide help in the coffee bar with perhaps some home baking? Any volunteers? Angus Canoe Club is on the posters and we will be issuing a joint press release in the near future.

### **Farmers Market, Forfar**

Saturday, 14 April at the Farmers Market in the Myre car park in Forfar 9.30 till 1200. A couple of canoes / kayaks will be on display alongside the sailing club – it's an awareness raising event. Alan will be there from 10.30 until 12.00, can anyone else assist, particularly in the early part? The sailing club have added our club to their posters and flyers, but we do have some of our own that will be made available.
